## Chapter 1 by Jaylaa

Rrinnggggg!! , screamed the bell in our ears. All of the first period art class ran out. As we left the classroom , I heard a familiar snarl. It had to be nothing. We killed them all. Maybe someones phone I guess. I was halfway through the hallway when a scream ripped through all the sound and madness. I turned around and couldn't believe it , they were here. How did they find me here? I flashed through the frightened crowd and made it up to my locker. I opened it and did the secret code which unveiled all my weapons. Zanos and Amil came running up behind me. WE were the last ones left. We've had to kill these suckers like a million times. WE knew what we had to do. The things ? well they know what and who we are.
